RE: United States v. Alton Easley; CR05-4107-MWB

Dear Name:

Enclosed is a Juror Evaluation Form which I ask that you fill out and return in the enclosed, self-addressed, stamped envelope. It is not necessary that you put your name on the form, but you may if you wish. The lawyers and I take your comments very seriously and we have made a number of major changes as a result of comments we have received from jurors on the enclosed form. We very much appreciate your willingness to complete the form.

I wanted to take this final opportunity to express my sincere appreciation to you for your service as a juror in this case. The entire federal court family of the Northern District of Iowa, as well as the litigants and lawyers, are deeply appreciative of your service as jurors. Without the assistance of jurors like you, our court would be unable to fulfill our constitutional mandate to provide litigants with fair and impartial juries to resolve their disputes. Thank you again for your service.
